Congratulations to each of you! Way to go Warriors!

Thank you, WVCS families, for the wonderful response to our parent information meeting. Your support has been phenomenal. Not only have you been amazing with verbal affirmation and encouragement, but as we requested, many of you are offering practical help. Thank you for the financial contributions, for catching up tuition payments, for paying ahead, and for all the ways you are working together.

A special thank you to our students who have donated out of their own finances to help.

We already have several great fundraisers in the works thanks to offers of help in this arena from our fabulous families.

Watch for more information in the near future.

Fun stuff coming up!

CURRENT TUITION

Please be sure your tuition payments are caught up. If you aren't sure, you may contact Amber Garvey in the finance office. If you are struggling to meet your obligation, please contact Mrs. Garvey or Mrs. Hamar and allow us to work with you. We wish to be of help and encouragement.

School Board Positions

Our school board is requesting assistance from those of you with gifts you might offer. We specifically need people with background and skills in finance, public relations, grant writing, fundraising organization, building and grounds maintenance, legal information, policy writing, athletic issues, education, spiritual leadership and more. We are in need of both men and women to serve on the school board. Applications are available in the office. If you have questions, please feel free to speak with Mrs. Hamar or any board member. Please consider stepping up to help shoulder the load.

Monday Lunches

Thank you, families, for your great support for our Monday, Washington D.C. trip fundraiser lunches. Traditionally these lunches have concluded in the spring as the fundraiser has been completed. However, this year, the lunches will continue through the end of the school year and the proceeds will assist with our budget shortfall.

We are in need of cookies for these lunches. Either homemade or purchased cookies would be great. They may be turned in to the office or to Mrs. Ferguson. Thanks to Mrs. Ferguson, her mom group, and the high school students who are willing to keep this fundraiser going for the benefit of the school.

School spirit in action!
