Blessing Upon Blessing

What a great joy and blessing so many of you have been in the midst our summer of transition. Thank you to each who have called, or come by, or sent written missives of encouragement and who have given of your time, talent and resources. It is an exciting time in the history of Willamette Valley Christian School!

We also thank you for your patience and understanding as the administrative staff waded through the process of learning, adjusting, adapting, and reorganizing. Though most of us are relatively new, we have quickly settled in and have rapidly established efficient and productive working relationships. An added bonus is the joy and laughter that often erupts in midst of our busy projects. We are each glad to be here serving you and Willamette Valley Christian School.

Several of you have asked how you may contribute

to the needs of the school in practical ways. Many of you have contacts and resources "out there" beyond our comprehension. We are so very appreciative of your eagerness to be a blessing. We have a number of projects that have been on the "to do" list for some time. These include the following:

Library/computer lab modular desperately in need of re-roofing (it leaks).

Significant sheetrock work needs to be done in the math/Bible modular. The windows in the elementary building need to be calked.

We are in great need of storage space for a set of bleachers. They are disassembled and the planks are about 20 feet long (a barn, shed, warehouse, storage space of any kind).

Wiring and an electrician to run the wiring to update the main building for internet access in classrooms.

A small "newer" school bus.

Cedar chips for the playgrounds.
Landscaping products and assistance.
A sea/land type cargo storage container.

Also needed are the following:
Two new wide screen T.V.'s with computer monitor capability for the high school.
Two DVD players.
Newer computers.
Porches for the new modulars.
Hardware and ceiling tiles to lower the ceilings in the main offices.
Equipment and supplies for the childcare center.
Commercial grade paper shredder.
Commercial grade locking route type mail box.

It's a big list! We are confident that God will meet our needs as we present them before Him and expectantly wait for His faithful provision. Perhaps you will be His hand of generosity extended today!

Please help us spread the word...

If you would like to come in and visit with your students' teachers, you are welcome to do so on Tuesday, September 1st. High school teachers will be available from 1:00 pm to 4:00 pm and elementary teachers between 9:00 a.m. and 2:00 p.m. We look forward to seeing you.

Homestay families needed!

We are in need of homestay families for international students for the 2009/2010 school year. We will likely have students at WVCS from China, Korea and Vietnam. Please contact the office if you are interested in learning more.

BOX TOPS FOR EDUCATION

We continue to collect box tops. This is a very valuable fundraiser for the school. Some families ask friends and family members to save also. Mrs. Hamar collects them from family members all the way from Louisiana! Box tops may be turned in to any teacher, the office, or the box in the main building hallway.

Alumni volleyball game:

Date: Sept. 4 (Friday)

Time: 6:00 pm (doors open at 5:30)

Place: Blanchet High School (main gym)

Please RSVP to Aaron
