

SR. HIGH COMMUNITY SERVICE CERTIFICATION

Instructions to Parents

This form is for the purpose of certifying a student's fulfillment of a **5-hour** per quarter requirement to do some type of voluntary community service. This can be a service accomplished through the Christian body (church, youth group, parachurch ministries, etc.) or on the student's own initiative in their neighborhood or at the school. If there is a doubt whether a service qualifies for this certification, please call Mr. Garvey at Willamette Valley Christian School, 503-393-5236. **This form must be signed by either the person overseeing the project or the parent/guardian of the student.** Parents are urged to use diligence in assisting their child(ren) with the choice of a monthly community service in order to assure a safe serving environment.
